“I worry and think about the fighting. It makes it hard to pay attention in school.”  
“I hide in my room hearing all the yelling, hoping it would end soon.”  
“I have nightmares, I can't sleep.”  
“I can't wait for the day when I can smile again.”

Dear Friends,

There are many ways you can make a difference by helping us to end domestic violence, and also to support women and children in need of help. The smallest changes can make the biggest difference. Your gift to the annual **Friends of Rachel** Campaign helps to provide a vast array of resources and assistance to victims of domestic violence in the MetroWest Jewish community and the community at large.

Cordially,

Lynn Gruber & Marla Wexler

Co-chairs, Friends of Rachel Campaign 2010-2011

**When victims of domestic violence call Rachel Coalition, they are making the right call.**

At Rachel Coalition, we are working to heal those most affected by domestic violence –  
the victims, their children, their families.

Our domestic violence professionals provide guidance, safety and support and legal services.

And we are always there in a crisis...24 hours a day, seven days a week.
